

ISA SUNDAY SCHOOL

Parent / Teacher Communicator (PTC)

The ISA School will be distributing a **Parent /Teacher Communicator Folder** that will go home with each student every Sunday. It is **your responsibility (the parent)** to go over this form with your child every week, SIGN IT, and return it with the student for evaluation by the Teacher(s) and Teacher Assistant.

The PTC form is designed to show progress of the student on a week to week basis. The PTC form should help foster interaction between the parent and student on a more individualized weekly basis. The PTC form is designed to help the parent better understand:

- 1. Assignment progress from previous week**
- 2. Assignment for the upcoming week**
- 3. Daily Behavioral Assessment of the student on an on-going basis**
- 4. Any event (volunteers, special events, etc.) that will be coming up on the school calendar**

It is an expectation of the ISA School that parents will be directly involved with the Islamic development of their children. The school currently only meets for a little over 3 hours per week. The PTC is there to help the parent better understand the strengths and weaknesses of every child that they have enrolled so that they may step up to the plate and assist in closing any deficiencies that may arise.
