

# ISA Funeral Planning

ISA has recently successfully negotiated limited time pricing for a comprehensive funeral plan. This plan has 3 components:

1. **The Burial Plot** We have been able to reduce the burial plot pricing to \$1,200 for ISA members (\$1,500 for non-members) at Hillcrest Memorial Park on Deans Bridge Rd. Previous pricing was \$1,500 for members and \$2,000 for non-members, so the current pricing represents a significant price reduction. You will not be assigned a specific space, but will simply have a reservation for a space when the need arises. If you already have a burial plot, you will still need the two remaining components.
2. **Graveside Funeral Services** This refers to the opening and closing of the burial plot, a vault (a state required cover that goes in the grave), and graveside set-up at the time of a funeral, which includes setting up a tent and chairs at the time of a funeral. The price for this service was approaching \$3,000, but now we are able to offer this service for ISA members for \$1,400 (\$1,700 for non-members). This service is only offered for funerals at Hillcrest Memorial Park.
3. **Funeral Home Services** This service refers to picking up a body from the place of death (within a limited distance, generally about 30 miles) and bringing the body to Elliott Sons Funeral Home. The funeral home stores the body until a ghusul (Islamic body washing) can be performed after which a kafan (burial shroud) is used to shroud the body. Then the cleaned and shrouded body is transported to the masjid where salatul janazah (funeral prayer) is performed. After the janazah is performed, the body is transported to the family's designated cemetery (either Hillcrest or MCC Cemetery). The price for this service was approaching \$3,000, but now we are able to offer this service to ISA members for \$1,400 (\$1,700 for non-members). This service can be used with burials at either Hillcrest or MCC Cemetery.

Payments can be made to ISA via either check or online and you need to indicate what item or service you are making payment for. Further questions can be sent to funeral@isaugusta.com
